## A Most Desirable Female Offering

It is not often that a newspaper representative has the privilege of inspecting such a superior collection as Miller Bros. will sell in their annual sale to be held this season on their splendidly equipped farm, which is located but a short distance from Britt, and which is to be the future home of their herd. To show the permanency of their business in the production of good cattle of this breed, the firm is improving two of their valuable farms for the purpose of enlarging their output of good Shorthorns, and when their plans are completed, they will have model farms, and which will be devoted to the raising of Shorthorns as good as the country affords. Miller Bros. are business men of the first rank, and they aim to produce a class of cattle that they can get the most money for, and, which means that they must be the kind that is best in individual merit and pedigree. This tells the story, a combination of merit and pedigree must be present in Miller Bros.' cattle, and those who are acquainted with Rudy Miller, the firm's senior member, will accord him a place high up in the ranks of the present younger generation of Shorthorn breeders.

Rudy Miller inherited his love for good stock. His father is a pioneer in the vicinity of Britt, a man who had a passion for good land and live stock, and, who devoted many of his best years to the accumulation of acres that were given over to the production of stock that has proved of vast benefit to the community where he lives. Miller Bros. have an offering at this time that will appeal to every man who wishes to buy females that he knows is right, that are right individually as producers and that have the ancestry back of them that can be depended upon to produce types that the present-day demand requires. Those who will scan the pedigrees in this book will be impressed with their worth, and when the cattle are seen, then the evidence is in hand that there is nothing lacking to make them valuable for the man who wants the better kind.

The fact that they are bred to the best bulls of the breed is another argument that should carry weight with the buyer. Villager's Monarch by Villager, and Maxwalton Javelin by Avondale are these bulls, and the combination of this blood in any herd needs no defense. This is an auction that should widely interest. The cattle are worthy, and the men behind them are reliable.—By Francis T. Martin, with The Breeder's Gazette.

## Guarantee

We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and, no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed, he must be returned to us and another of equal value will be given in exchange. Complaints must be filed within six months from date of sale.

Entire herd under federal and state supervision. All cattle have been federal tested and sold subject to 60 days' retest.

## Terms

Cash or its equivalent. All animals at buyer's risk as soon as bid off. All animals will be cared for and loaded on cars free of charge.

## Insurance

All animals, including calves 30 days old, are insured for purchase price by the Hartford. This insurance is paid by the seller for your protection.

## BRITT, IOWA

Located 30 miles west of Mason City, 140 miles south of Minneapolis, 145 miles north of Des Moines. It is on the main line of the Chicago, Milwaukee & St. Paul railroad, running from Chicago. Train leaves Mason City at 7:07 a. m., arriving at Britt at 8:11.

Britt is famous as a pure-bred live stock center, and is a distributing point for fancy cattle and hogs that go to all corners of the country. It is a community of the live wire kind, a pleasant place to visit, and a splendid town in which to live. Its citizens vie with one another to make pleasant the stay of the "stranger within its gates."

A special sleeper will accommodate buyers attending Miller Brothers' fifth annual sale, leaving St. Paul at 8:15 p. m. on June 21, to be set out at Britt, and returning to the Eliason sale, at Eliason, the night of June 22, after Studer's sale at Britt.

Train leaves Des Moines at 9:25 the night before the sale, on the M. & St. L. road. All visitors will be our guests at the Allison hotel. Good railroad connections before and after the sale.

Pleasure and profit will blend harmoniously for those who visit our fifth annual sale. Come and join the throng.
